
Slender The Arrival (Top) Cracked

Slender The Arrival is a puzzle game that puts you in the shoes of a hyper-active girl named Lauren who wants to find out about her older sister Kate. The girl becomes aware that something is wrong in her residence when she finds a, to her excitement, very weird drawing on her bedroom wall which hints on the name of her real-life, ex-boyfriend Slender Man. Time passes and Lauren becomes worried and she starts exploring the house. Lauren finds a lot of bizarre stuff, such as bloody walls and doors which opened from the inside. Most of the spooky stuff around her has Slender Man written on it.
