Featuring an addictive and exciting puzzle experience, Crash Force is a mix of action and strategy, putting you in the shoes of Crash, an awesome and fearless boy who finds himself trapped in a twisted interpretation of the game of the original Teenage Mutant Ninja Turtles. Also starting today, we're offering a Day One Digital Deluxe Package for those eager to jump right into the gameplay. We're also giving away incredible prizes to players who pre-order Crash Force. Check out our website for a full listing of the day-one digital deluxe package, including a special 12-page 'Making of Crash Force' bonus, a limited edition crystal mech head statue, and a custom Crash skin for PlayStation Plus members! In Crash Force, you play as the fantastic, funky Crash, a fearless boy who plays a hot game of Teenage Mutant Ninja Turtles on his Game Boy Color. One day, he accidentally played the game too close to a radioactive waste dump, which dumps him into a surreal version of the arcade game. There, he becomes trapped in a twisted interpretation of the game of the original Teenage Mutant Ninja Turtles - but he doesn't let his situation get him down. Instead, Crash is transformed into a tough and powerful ninja and sets on a journey to defeat Footman XIII, the mysterious enemy from the game, who is pulling his forces out of the turtle's shell. Along the way, players will meet a cast of characters and take part in amusing and unique mini-games. We're making Crash Force to capture the fun of classic Japanese puzzle-platformers, just with

To understand Aurora is to understand our culture and our world. Aurora is about the experience of regular people trying to be extraordinary. In this world, there is only one superpower: emotion. In every person, one color gives them magic powers. The more feelings you have, the more colorful you become. Aurora is the story of a woman that awakes from a 10-year coma and discovers that she has been turned into a protector of all of humanity. Key Features Story Mode: - 5 Chapters, each taking you through one of the main arcs of the story- 60+ different animated events to interact with, and the story continues in a postgame quest, where you can battle different bosses and allies- A total of 17 unique and fully animated challenges- Talk to people to learn their emotions- And, most of all, thousands of options for your character Battle Mode: - Arcade mode to battle and level up your characters- Raid mode to battle different bosses in parallel- Battle Shop to unlock characters, skins, and gems- A local 6-player mode where 4 players can battle on the same screen- New in-game options in the battle menu- A new Help button to find information on anything in game Automatic Matchmaker: Choose a buddy to play with and that character will be ready to team up for a fight. Create your own story mode on Battle Mode! Experience the story of Aurora with the story mode! Aurora is the name of an important technology that is part of the social fabric of our culture. Aurora has been a democratic technology. However, the last 10 years of its commercial development have been dominated by a small handful of individuals. One of these individuals is Igor; the other is Anastasia. Anastasia's plan is to use Aurora to grant magical powers to anyone who possesses them and turn this community of users into a dictator's army. Her goal is to reinforce the Iron Grip rule that suffocates the people of the West Siberian Plain. Gabriela is an aura responder, the protector of the people. She wants to stop Anastasia and Igor from conquering the world. But there is an unexpected twist. Anastasia is determined to trick Gabriela and create a world full of manipulated people that submit to her every whim, power by "converting" people to being full of dark energy and turning them into her fearful slaves. With the powerful Aura Responder equipment, you will become one of the people in the world of Aurora. d41b202975

Igor's Military Camp, the soulless military base has overtaken a large part of the West Siberian Plain. The region's people have been reduced to a group of obedient slaves and any resistance is suppressed ruthlessly. The constant attacks and confiscation of resources threaten the existence of the villagers. In their despair, many have turned to Igor in an attempt to quell their fear. Emperor is tasked with destroying the military base and restoring peace to the West Siberian Plain. A hero to the people, Emperor will prove victorious in the fight against Igor and his army of brutal, soulless soldiers. But first, he must infiltrate Igor's camp to uncover the deepest
