I'm not thrilled with the style of the story. ☆☆☆☆☆☆☆: The first and second chapters and the world of the game don't feel logical./ * Licensed to the Apache Software Foundation (ASF) under one or more * contributor license agreements. What's new in Elden Ring:**STORY:**

In a timeline they never studied, men have built a wall and sealed the border between the world of man and the world of divine. Mankind has been drifting in isolation, frozen in the now and ignoring the incomprehensible mistakes perpetrated by the gods. Ages past, the divine power has begun to awaken and thus cast the Heroes to oppose the god called Elkuer (Jehude).
