Fiqh is Islamic jurisprudence. Fiqh is often described as the human understanding and practice of Shariah, that is, the human understanding of divine ... Fiqh is not only and not even so much Islamic theology, but also, as I understand it, not even just philosophy. Fiqh is, so to speak, philosophy without religion. Fiqh is, conventionally speaking, what one knows about religious knowledge and religion, but is not the direct object of religious knowledge and dogma. Fiqh is, so to speak, what one knows about what should be according to religion, but is not a direct object of religious knowledge and dogma.
