Real Steel 1080p Mkv 20

Transformers: Directed by Michael Bay. Shia LaBeouf, Megan Fox, Josh Duhamel, Tyrese Gibson. An ancient struggle between two Cybertronian races. Well, as expected, the movie didn't do well. Partly because, in essence, it is no different from previous film adaptations of computer games. As a rule, a director takes on a project if he can create something new. And this is where he was very disappointed. Throughout the film, we are persistently reminded of what we have already seen in the previous parts. From film to film, the same scenes repeated, and therefore it will be difficult to perceive this film as a new one.
