Each area has a particular theme to keep to. But after thousands of years, the people of the island have died out and the world falls into chaos once again. You join a team of incredible heroes called the Tempanistas, that are trying to rebuild the world, but they need your help. You have to join the Tempanistas to help them defeat the evil order known as the Overworld. The Tempanistas are looking for this stone, which was once needed to make the world more Earthly, so now, the dark cult is looking for it too, and once you find it, you'll be set free from the island. The world is a big place, with dangerous areas that can keep you awake at night. Its hard to survive in the world alone, so its best to team up with other players and work together.
